PricewaterhouseCoopers LLP has assessed whether the information security management system at

Robocoder Corporation

260 - 2639 Viking Way, Richmond, British Columbia, V6V 3B7, Canada

meets the requirements of the standard noted below (the Requirements).

ISO 27001: 2013 Information Security Management System

Scope of Certification

The management of information security controls for the protection of customer and corporate information and supporting services for the low-code Rintagi development platform and its generated applications. This is in accordance with the Statement of Applicability 1.2. Dated January 29, 2021.

Statement of Applicability Version # 1.2

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 and 27006 management systems assessment standards and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at www.pwc.com/ca/certificate. The ISO standards can be found at www.iso.org.

Based on our assessment, the management system met the Requirements, in all material respects, as of March 19, 2021.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
